WELCOME TO OBERON ANGLICAN

Hi, my name is Jonny Lush, minister at Oberon Anglican. Wow, I can't believe we're in November already. I'm so thankful for what God is doing among us in the Oberon Parish. It's been an exciting year with wonderful connections made both within our Church family as well as with our community.

It's great to see that we are growing in our faith and understanding of God's plans for our lives as we spend time in His word together each Sunday and also during our mid-week bible studies. With Christmas just around the corner, I want to encourage you to press into fellowship with each other and look for opportunities to spend time with non-believers that they might see the difference a relationship with our loving God makes to our lives. Consider who you might invite to one or more of our Christmas events or services. Christmas can be a lonely time for some, it would be great to reach out to people in our towns who may not have the joy of spending time with loved ones over the coming season. We have such a wonderful Gospel to share. God's richest blessings, Jonny.

OBERON ANGLICAN MISSION

Darren and Naomi Reed "Reeds on the Road" - Tamworth and Walcha 21st to 24th November. Pray for opportunities and the four outreach events. Give thanks this trip can happen.

Lynda Stanford - Thank God for the opportunities Lynda has had to share the good news about Jesus with students at Oberon Primary for many years. Please pray for new SRE teachers to get involved

Lay Minister John Dearnin: Please pray for careful, prayerful and thoughtful reflection as he prepares to teach God's word in this Parish and for continuing physical strength for medical ministry to students and prisoners.

Lay Minister Andrew Trafford: Please pray for healing for Andrew's back, knees and hips and restoration to joyful ministry.

Sam Freney - The Bible Society: Pray for the Vula'a translators in PNG - final few books to check for their translation that they've been working on for decades. But they've got computer troubles (and funding troubles to fix/replace said computers) which is making it tricky. Also thanks for a Pitjantjatjara Children's Art Bible being launched on the weekend. Traditional artwork, telling the bible story for kids. It's awesome, and beautiful, and will hopefully be a great thing for the community.
